

This month at BTBC...

We will be thinking a little more on what it means to walk the road as a disciple of Christ. To help us do that we are using the pattern of what we often call the Lord's Prayer from Matthew 6. This well known piece of scripture is not so much about a set of words to recite, as it is a way of seeking him for all aspects of our daily life as his people.

Mission News

A message from John and Sue Wilson, BMS, France:

'Please pray for Connexion 2019 - the national youth event Sue organises with the Federation every two years. We ask for God to change lives and call young people to serve him. Pray for Sue and her team. The event is on the 25th - 27th October (see

BMS web site: Feeding of the 400 - for a glimpse of the 2017 version)

Pray for the church as it continues to grow and change. Much to thank God for. Pray for the renovation work we want to begin to better open the church up to the community. The church Council needs wisdom and to give leadership for this challenge.

Pray too, that we would be able to find a new Director for our young women's hostel as the present one retires next year.

May the Lord renew and refresh his work here and enable us to pastorally follow through with various congregational needs.

Thanks for your prayer support.'

A message from Harry, Living Waters Village, Borneo:

'Hello from Borneo! I arrived back safely-had a big wave of heat hit me as I came out of the airport which was a nice change to feeling cold for the past month! Just sat down with my friend Hero to eat some Durian (smelly fruit!).

I just wanted to say a big thank you to everyone for helping make my time back such a blessing. It was great to catch up with some familiar faces as well as meet some new, and to be able to share about the amazing things God is doing out here in Borneo.

Many blessings and love.

All our mission partners appreciate our prayers and support

Helpers needed for PA please!

You will know that we have a new PA system. We now need to recruit some new team members to help Gordon and John to manage the system week by week. It is very straightforward to use and can be controlled by an App, for those of you who would rather do this than use the desk.

Full training and support will be given, you wouldn't be left on your own until you feel totally confident.

Anyone interested in finding out more can get in touch with Gordon gordonnit@btinternet.com, John johnandjanem@blueyonder.co.uk or David dbarnett1966@gmail.com.
